99% of College Horizons Alumni will go to college!

**College Horizons** is a six-day “crash course” in preparing for the college application process. Students learn about a variety of colleges and universities and establish personal relationships with college admission representatives as well as college counselors. At each site, approximately 100 students from across the nation work with over 70 college professionals to:

- Experience life on a campus - dorms, food and facilities!
- Select 10 suitable colleges to apply to
- Write memorable essays and create a student activities list
- Complete winning applications using the Common Application
- Complete a preliminary FAFSA
- Receive test taking strategies and resources for the ACT & SAT
- Navigate the financial aid and scholarship process
- Attend a College Fair and info sessions with over 40 colleges

Our program alumni also gain access to unique opportunities, including:

- Eligibility to apply to an all-expenses paid, three-week Scholars summer bridge program, which helps prepare first-year students transition from high school to college
- The Davis Scholarship, for New Mexico students (eligibility restrictions apply)
- Fly-in opportunities to select partner colleges/universities
